Verse 1

```
      1          1sus                    1
How I long to breathe the air of Heaven
               6m7        4                5(add4)
Where pain is gone and mercy fills the streets
          1/3     4            1     5/7       6m7
To look upon the one who bled to save me
               4      5sus       1     4/6    1
And walk with Him for all eternity
```

Chorus 1

```
           1/3   4
There will be a day
      5sus              1
When all will bow before Him
           1/3   4
There will be a day
      6m7             5sus
When death will be no more
          1/3        4
Standing face to face
       5              1     1/3 4
With He who died and rose a  -gain
4       5
Holy, holy is the Lord
```

Verse 2

```
        1          4/1            1
And every prayer we prayed in desperation
             6m7        4                5sus
The songs of faith we sang through doubt and fear
       1/3         4            1     5/7       6m7
In the end, we'll see that it was worth it
          4       5sus       1         4/1
When He returns to wipe away our tears
```

REPEAT CHORUS 1

Verse 3

```
          1       4/1            1
And on that day, we join the resurrection
             6m7        4                5sus
And stand beside the heroes of the faith
       1/3         4            1     5/7       6m7
With one voice, a thousand generations
